

Gables UCC's In-Person Worship Protocol

As we return to worship in the Sanctuary, we ask that you follow these guidelines to show love to your neighbors and yourselves.

Pre-Register And Check In

Register at gablesucc.org/worship as we have limited seating.

Ushers will be at the front door to welcome you and check you in.

Wear A Face Mask And Practice Social Distancing

Face masks must cover your nose and mouth.

Bring Your Own Water

Our water fountains are currently turned off to help stop the spread of germs. Please bring a closed water bottle if you think you will get thirsty.

Be Aware That Traditions Have Changed

Passing of the Peace, Holy Communion, and other traditions will be a bit different. Be with us as we create new traditions!

Feeling Unwell? Join Us Online!

You may always watch the service on our Facebook page or on our website at gablesucc.org/live.

Stay in Place Once Seated

Once shown to your seat by an usher, please remain seated to help us maintain social distancing.

Wave to an usher if you are in need of something.

Ushers Will Dismiss You, Do Not Congregate At Exit

After our Connection Café, ushers will dismiss one row at a time, starting at the back.

To maintain social distancing, please do not congregate by the front door.
